Charles Eidson, Diane Kilgore and Roy McNeal Win Re-Election to Board

Charles Eidson, Diane Kilgore and Roy McNeal were re-elected to the Board of Directors at the 2011 Annual Meeting. Though all three individuals were nominated by the Nominating Committee to fill the three vacancies on the Board, a Credit Union member, Leland A. (L.A.) Gilbert, submitted a Nomination by Petition to be considered for one of the vacancies as well. Because there were more candidates than positions available, a membership-wide election took place. Each member was eligible to cast one vote for up to three of the four candidates running. With 440 ballots submitted, Charles Eidson, Diane Kilgore, and Roy McNeal received the most votes. Congratulations to these individuals for their election win and continued service to the Credit Union.

The gathering also recognized employees with five and ten years of service to the Credit Union. And, there was one fifteen-year service award. Congratulations to the following employees:

New Format for Business Meeting

As compared to previous years, the annual meeting format was that of business-only. Focus was put on the presentations from the various Board members and President/CEO. This arrangement was constructed to promote more interaction between the member and Board officials concerning Credit Union business. With the success of the Member Appreciation Day (see article below) and the newly formatted annual meeting, the Credit Union was able to serve a larger number of members more effectively.

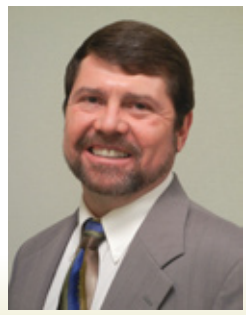

Membership Appreciation Day a Success!

The celebration was held the day of the annual meeting during normal business hours for any member to enjoy. Various giveaways were offered and Chick-fil-A lunch was provided from 11 am to 1 pm. Over 600 members enjoyed lunch and over 1000 members received a premium giveaway.
